*Location*

**Schleching**

 *duration:*  
**05:45** hours

 *minimum altitude:*  
**627** meters

 *altitude difference:*  
**1023** descending

Mountain circular tour. Achenal hiking badge Checkpoints: Wuhrsteinalm, Karl. Special features: Karlalm alpine pasture, a paradise for the marmots that live there; chamois on the Breitenstein massif. Description: From the Geigelstein car park in Ettenhausen, a forest path leads towards Rudersburg. After the bridge, turn right onto the path towards Grießelberg (Gamsweg). Via the Karl with the dilapidated Karlalm and the Karl Joch, we reach the Breitenstein summit. The return journey goes via the Käferlschneid to the Wirtsalm and the Wuhrstein area. Via the forest path, we finally reach our starting point, the Geigelstein car park.
