It starts at the **Chiemingen nature observation station** on the Chiemseering, which as a **barrier-free platform** is a very popular destination and easily accessible for everyone. It is only a few meters from the **car park at Chiemseering** to this **fantastic viewpoint** on the east bank of Chiemsee.

Find out about the **barrier-free bee trail** , not far from the Chieminger Dampfersteg in the so-called Markstatt. The terrace of the Cafe Chieming , which is accessible to everyone, invites you to linger comfortably here on the barrier-free **Chiemsee-Strandweg** , as does the easily accessible sun deck kiosk at the southern entrance to Chieming .
