

Historischer Rundweg zur Burgruine Kling

HIKING TOUR

Well signposted "teaching trail" through the history of Schnaitsee and its surroundings.

*Starting point*

 *distance:*  
**10.4** kilometres

 *maximum altitude:*  
**651** meters

 *altitude difference:*  
**160** ascending

*Location*

**Schnaitsee**

 *duration:*  
**02:50** hours

 *minimum altitude:*  
**539** meters

 *altitude difference:*  
**144** descending

At the stations, the hiker will find information boards about the importance of Schnaitsee in the Middle Ages, the development of the landscape, the history of the Berg ministerial seat and vicarage, about the former Kling Castle, the Wasenmeister von Moos and the historic Kapuzinerweg.

The trail offers magnificent views to the south and west; it runs mostly on tarred side roads, but also on meadow paths, old ravines and through an extensive forest.

Schnaitsee - Obernhof - Garting - Fernbromberg - mountain - mountain lake - Kling castle ruins - Moos - Zansham - Kapuzinerweg - Schnaitsee
