The MTB tour starts at the Mühlwinkl wood storage area in the Staudach-Egerndach resort at the foot of the Hochgern. You first cycle past the church on the cycle path towards Bergen. Through Avenhausen, after about 700 meters, turn right towards Straßberg. Follow the forest road to the first intersection (800m). Turn right there. Leave the Mehrentalhütte on the left and head slightly downhill. Pass the game feeding areas until the next turnoff on the right towards Staudach. Always downhill to the starting point (watch out for loose gravel!), where the Mühlwinkl inn invites you to stop for a break.
