 *altitude difference:*
970 ascending

Location

Staudach-Egerndach

 *duration:*
04:30 hours

 *minimum altitude:*
529 meters

 *altitude difference:*
970 descending

Starting point in Staudach-Egerndach (wood storage area Mühlwinkl). Past the church and on the bike path towards Bergen. Through Avenhausen, after approx. 700m, turn right in the direction of Straßberg. Follow the forest road to the first crossroads (800 m ascent). Always follow the wide forest road straight ahead (never turn off!). Past the Bairer-Alm to a short descent. Then keep right to the Vorderalm. After the Vorderalm, take the forest road downhill and then straight on to the Staudacher Alm.
