If you can't get enough of crisp, steep climbs and fast descents, the Chiemgau Marathon is the right choice, because it's all about altitude. Nevertheless, you shouldn't miss the sights along the way: the Maria Eck pilgrimage monastery, the Chiemgau Arena biathlon center or the lumberjack museum in the Laubau. And then there are the many cozy alpine pastures that tempt you with fine delicacies, the Schwarzachen-, Keitl- and Reiteralp, the Röhelmoosalmen and the Winkelmoosalm. And if you find it too hot during the tour, you can simply jump into the cooling Weitsee. Bike and Swim: Swimming opportunity in the Weitsee
