MTB tour. Refreshment options: regional restaurants (please note individual opening times). Achenal hiking badge
Checkpoints: Tourist Information Schleching; Vordere Dalsenalm (Huber Kaser); Special features: cross-border round trip to our Austrian neighbors. Tip: Bike and Swim: pack your swimwear and jump into the Walchsee for a final refreshment. Description: From Schleching, this round trip goes around the Geigelstein. Over 900 meters of altitude must be overcome over 48 km, but the view of the Chiemgau Alps and the Bavarian mountains rewards every bead of sweat. The cycle tour begins in Schleching and leads past the Dalsenalmen, via Hainbach and Sachrang to Rettenschöss and to the Walchsee. From there, it continues to Kössen and over the Achendamm back to the starting point in Schleching.
