Taubensee car park-Hinterwössen - Glockenbichl - Hochfeld - Langwiese - Taubensee car park-Hinterwössen From the Taubensee hikers' car park in Hinterwössen, follow the signs to the Glockenbichl to the left. The slightly uphill path offers you a magnificent view of the high valley. Now it goes down again to the Schlosserbach. Follow this to the right and cross Taubenseestraße at the children's playground and then follow the Moosbach to Sonnenbichlstraße. Follow Sonnenbichlstraße to the right and then turn left in front of the residential buildings. Here the path leads again slightly uphill to the Hochfeld. From here, too, you have a deep view of the high valley. You follow the path through the forest and descend via the Langwiese back to the starting point. The great view of the high valley of Oberwössen will inspire you. Refreshment stops: Erlebniscafé Ton und Mehr in Brem, Meinecke bakery or Poststüberl in Oberwössen (please note the opening times)
