Then we follow the signs towards Schnappenberg. Then we walk towards Staudacher Alm, before turning right onto the path towards the Hochgern summit. At the top we walk towards the summit chapel before walking downhill via the Hochgernhaus, Enzian Hütte and Moar Alm downhill towards the Hochgern car park. After the car park we continue down Burgstrasse before turning right and walking behind the castle towards the Freiweidach hiking car park. Once we arrive at the car park we walk towards the Ache past the sports field until we cross the bridge over the Ache at Skywalk and then along the dam towards the center of Marquartstein, where we walk right through the pedestrian zone, then left across the road to the car park by the town hall.
