We start at the town hall car park in Marquartstein, walk diagonally across into Kirchweg, continue to Wurzer Weg, then past the Achenal secondary school, until we turn right into the forest after the sports field and the path goes up. At the large fork in the road, we first follow the signs towards Kaiserblick, walk past it, and then turn right onto the trail (No. 62) towards Teufelsstein and Hochplatte. Once we reach the Hochplatten summit, we continue towards Friedenrath, but stay on the 204 to leave the summit on the left, until we keep right at the Staffn Alm junction to get to the Hochplattenbahn mountain station. After the mountain station, we follow the path until we turn left towards Hefteralm. We stay on the path until we pass the Rachlalm, then we walk under the railway until we reach the car park, where we keep right to follow the small path in the forest until we pass the Achenal secondary school again in Marquartstein. Then we just keep walking along the road until we get back to the car park by the town hall.
