

Winter hike to Hochplattenbahn cable car valley station

WINTER HIKING

For all those who would rather hike from the Staffn-Alm or the Hochplattenbahn mountain station into the valley in winter than by sled.

*Starting point*

**Hochplattenbahn mountain station**

 *distance:*  
**2.5** kilometres

 *maximum altitude:*  
**1037** meters

 *altitude difference:*  
**2** ascending

*Location*

**Marquartstein**

 *duration:*  
**01:00** hours

 *minimum altitude:*  
**603** meters

 *altitude difference:*  
**437** descending

From the mountain station we walk eastwards under the cable car towards the kite launch ramp and then follow the signs to the valley station of the Hochplattenbahn. The path is steep in places, leads beautifully through the forest and in the lower section along the Tennbodenbach.
